

AMERICAN YOUTH SOCCER ORGANIZATION

world class youth soccer programs that enrich children's lives

Dear Potential and Returning AYSO Sponsors,

AYSO Region 382 is proud to be preparing for our 26th season of providing a quality youth soccer program on the mountain. Community sponsorship allows our children to participate in a program that is dedicated to both the physical and social needs of our local youth. With your generosity we are able to supply uniforms, trophies, pictures and durable equipment for all players within our region and quality training for our dedicated volunteers.

In preparation for the 2009 season we anticipate that we will need to meet the needs of over 320 children and 80 volunteers. In addition to registration fees we are depending on the incredible support we receive from our sponsors to not only meet this years needs but to also help us grow with our surrounding communities. Due to the rising cost of living and a stugling economy we are experiencing a growing amount of requests for child sponsorship. With the continued help of our sponsors we hope to be able to continue to accommodate those in need.

In acknowledgment of contribution, we will put all sponsor names in The Mountain Enterprise and Pioneer. We will announce our sponsors at opening and closing ceremonies and every sponsor will receive a meal ticket at opening ceremonies. Any sponsor who sponsors a team will receive a schedule of games for that team and have their company name on that teams banner. New this year we will be posting all sponsors on our website aysoregion382.com

Attached are the various levels of sponsorship for you to consider. This year we will acknowledge the first 10 paid team sponsors one at a time for one full week on our Tejon Fields message board as "sponsor of the week". AYSO is a non-profit organization and all donations are tax deductible. All sponsors will receive a receipt for tax purposes.

AYSO region 382 is well aware that there are numerous requests for sponsorship that go out to our local businesses and we want to greatly thank you for your generosity. Please do not hesitate to contact me if you have any questions. I can be reached by phone at 661-245-1687 or 661-645-2131, also by email at web3johnsons@sbcglobal.net Thank you for the time and energy you put into helping Frazier Park AYSO Region 382 Soccer.

Sincerely,

Brent Johnson
